

# Complete your census today!

## WE'RE COUNTING ON YOU, NEW MEXICO.

New Mexico receives over **\$7 billion** per year in federal funding, but only if everyone fills out their census.

This is our one chance in a decade to get it right — and we're all counting on you.

## WHAT YOU NEED TO DO:

- 1 Count everyone in your household. This includes babies, children, and anyone who is living and sleeping there most of the time.
- 2 Fill out your census form and include everyone you just counted. You can fill it out online, by phone, or by mail today!
- 3 Become an ambassador for New Mexico! Encourage friends, family, neighbors, and colleagues to fill out their census form.
